barbara mcmanus The Dressmaker's Dowry: A Novel:

0 of 0 review helpful I loved this book By elizabeth s I loved this book All the characters were so well developed that i felt like i knew them It was really a heartwarming story The ending was great too 0 of 0 review helpful A must read By Sracing I loved this book At one point I was actually holding my breathe without realizing it because I was so engrossed For readers of Lucinda Riley Sarah Jio or Susan Meissner this gripping historical debut novel tells the story of two women one an immigrant seamstress who disappears from San Francisco rsquo s gritty streets in 1876 and the other a young woman in present day who must delve into the secrets of her husband rsquo s wealthy family only to discover that she and the missing dressmaker might be connected in unexpected ways An exquisite ring passed down ldquo In this deliciously satisfying tale of love and resilience Meredith Jaeger sweeps us into nineteenth century San Francisco painting harrowing images of poverty alongside excesses of wealth weaving a multi generational novel impossible to put down rd
