By Mary Ellen Taylor : The Union Street Bakery dedicated to giving workers in our industries a voice and a vote in their workplace thanks to soho estates for supporting street food union street food with soul contact The Union Street Bakery:

86 of 88 review helpful Full of Intrigue By Samantha J I received a copy of The Union Street Bakery by Mary Ellen Taylor in exchange for an honest review I was immediately intrigued from the synopsis because I love a good mystery have a thing for ghosts and can't resist history This book has it all and then a sweet family story a bit of romance and a heroine that doesn't give up when the chips fall around her Daisy Life can turn on a dime It's a common cliché and I've heard it often enough People die or move away Investments go south Affairs end Loved ones betray us Stuff happens Daisy McCrae's life is in tatters She's lost her job broken up with her boyfriend and has been reduced to living in the attic above her family's store the Union Street Bakery while learning the business Unfortunately the bakery is in serious trouble A wonderful story about sisters family and the things that matter most I loved this beautifully written journey of self discovery — Wendy Wax About the Author Mary Ellen Taylor is a multi-published author
