By Patricia Wood : Lottery contains winning numbers and related information find recent and past winning

numbers game information and related links Lottery:

Money isn't the same as treasure and IQ isn't the same as smarts. An uplifting and joyous new novel hailed by Jacqueline Mitchard as solid gold. Perry L. Crandall knows what it's like to be an outsider. With an IQ of 76 he's an easy mark. Before his grandmother died she armed Perry well with what he'd need to know: the importance of words and writing things down and how to play the lottery. Most important she taught him whom to trust: a crucial lesson.
