**By Geoffrey Watkins : Little Deaths** chicago tribune obituaries and death notices for chicago illinois area explore life stories offer condolences and send flowers the most authoritative news in canada featuring articles from the globe and mail breaking news coverage national news international news sports weather report Little Deaths:

Even for those who are already acquainted with the insightful and brooding work of Geoffrey K Watkins *Little Deaths* will come as a dark surprise Here are sixteen stories of life each story standing alone in its own small world but all of them clustered like spectators at an accident scene not wanting to see what is happening but unable to look away watching and waiting for the ending an ending which is in each story as inevitable as death but just as unpredictable About the Author Despite the tantalizingly suggestive nature of his published works Geoffrey K Watkins remains one of the more enigmatic literary figures of our time All that is known for certain is that he presently lives a very contented and fulfilled life
