What the Wind Picked Up: Proof that a Single Idea Can Launch a Thousand Stories:

1 of 1 review helpful A Clever Idea By Rocky Mountain High I heard about this book at a writer s conference and thought I might be able to use this idea with students The premise of the book is that new writers should not fear others stealing their ideas In order to show that it is the writer s voice that makes the difference published authors were given the task of crafting stories in different genres that had to incl WHAT IF SOMEONE STEALS MY IDEA Beginning novelists often fear that if they tell anyone their idea someone else will take it and go make millions of dollars And so aspiring writers hold their ideas close to their vests sometimes not even writing them down The members of ChiLibris all multi published Christian novelists remember when they had the same fear Something they ve all discovered is that it isn t the idea that is so unique since the same basic stories are told About the Author What the Wind Picked Up contains delightful stories from your favorite Christian novelists including James Scott Bell Mindy Starnes Clark Angela Elwell Hunt Nancy Moser and Robert Whitlow As an added bonus the members of ChiLibris share t
