0 of 0 review helpful Great Read By KMN Reviews This book is a collection of short stories that speak from the heart with sentiment Mr Nave brings his characters alive giving the reader a vivid picture into their world His narrative is geared for the young but adults will cherish the symbolism and wonderful narrative skill of the author He deals with topics such as children growing up without a father rol He has a Black Panther flag and a red black and green flag sticking out on either side of his porch I feel safer when I m close to Mr Johnson s house Not all the kids like him but won t none of them disrespect him or do anything crazy near his house Not even Chuck That s for sure They say Mr Johnson and his crew carries guns You about have to around here from the short story Concrete Rose Where are the voices of light and conscience that are not afraid to illu About the Author Marquis R Nave grew up in Long Beach California He graduated from CSULB withhis MFA in creative writing
