beverly lewis boxed set book english in books fiction and literature ebay Cul-de-Sac Kids Boxed Set:

0 of 0 review helpful Great gift set for my son By brie golden My son is an avid reader he has read the entire collection now we ve had these books for over six months they have held up nicely with no tearing of pages or bending of the binder Great stories for children room at least ages 8 to 12 my son is 10 and he s been reading them for the last few years The prices are nice and I would definitely buy this again I This is an exciting and lighthearted chapter book series for young readers that centers on the often humorous escapades of a group of endearing neighborhood friends About the Author Beverly Lewis www beverlylewis com born in the heart of Pennsylvania Dutch country has more than 17 million books in print Her stories have been published in twelve languages and have regularly appeared on numerous bestseller lists
