(Dominion Trilogy #1):

2 of 2 review helpful Interesting By Jeanie Womack Story of a young man isolated from neighbours and co workers who finds himself following a man who looks exactly like him wearing the same clothes his own height weight and build and even struggling with the same lick of hair that he has trouble keeping off his forehead He s carrying his briefcase He begins running through the last time he saw his briefcase wonder In the space of a breath what he thought was his life hellip shattered Grant Borrow's has been Shifted in the silence between heartbeats his whole life fundamentally altered There s another man in the world wearing his face and living his life What s more the man staring back from his mirror is a stranger But the changes don t stop at skin level Inexplicably he s able to affect objects around him by simply thinking about them And as he soon learns he s beco From Booklist Parrish s latest opens upon a world so tilted people are shifted into new bodies while their old bodies and personalities proceed that it brings Philip K Dick to mind Gradually the Dick like
