2 of 2 review helpful Disappointing mystery By Tah_Dah I d read several historical books from this author but YEARS ago and recently came across this series It sounded promising and I happily dug into the story Frankly I was pretty disappointed The plot held promise but it drug on far too long and was predictable I m a Christian and expected the faith element but Dylan s constant sermonizing A wealthy widow of a nobleman daughter of a famous scientist and skeptic who only trusts what can be proven Meet Serafina Trent A woman about to take 19th Century London by storm It s London 1857 and everything is at stake for Serafina Trent A woman of means but not the typical Victorian lady who feels her place is to be seen and not heard When her brother s most recent female dalliance a beautiful actress is found murdered all eviden About the Author Gilbert Morris is one of today rsquo s best known Christian novelists specializing in historical fiction His best selling works include *Edge of Honor* winner of a Christy Award in 2001 Jacob rsquo s Way *The Spider Catcher* *the House of Wins*
