**By Travis Thrasher : Sky Blue: A Novel** dont you think we should have started by proving the constant have we established the sky has always been blue what would it take for sky to be more of a red color goodbye blue sky young pink voiced by rogers son harry look mommy theres an airplane up in the sky david gilmour di di di did you see the frightened ones Sky Blue: A Novel:

0 of 0 review helpful I didn't particularly like any of the characters By iamCorey The only somewhat interesting thing about this book was its ending It had an unexpected twist I didn't particularly like any of the characters You have to read about halfway into the book before Colin's wife dies and he goes into depression It begins with his marital issues and the couple's inability to conceive and then her death Very Colin Scott is a top literary agent at a firm representing some of the biggest names in publishing He's worked hard to reach this place yet now it seems routine and aggravating On top of the creeping cynicism in his professional life Colin and his wife are desperate to have a baby As the pressure mounts he finds himself questioning almost every decision he's ever made And he seems to be having a nervous breakdown Then dis From the Back Cover open your eyes COLIN SCOTT READS PEOPLE for a living They bare their souls on paper and he sells them to the highest bidder His work as a top literary agent representing big name authors has turned his youthfu
