Powers (New York Review Books Classics):

0 of 0 review helpful A pure pleasure to read By Timothy J Bazzett THE STORIES OF J F POWERS is a book to treasure Powers died in 1999 but his reputation as perhaps the greatest comic chronicler of the 1950s Catholic Church endures He published only five books in a career that spanned over five decades Three of them were slim collections of short stories all of which are included in this handsome volume The other two Hailed by Frank O Connor as one of the greatest living storytellers J F Powers who died in 1999 stands with Eudora Welty Flannery O Connor and Raymond Carver among the authors who have given the short story an unmistakably American cast In three slim collections of perfectly crafted stories published over a period of some thirty years and brought together here in a single volume for the first time Powers wrote about many things baseball and jazz race riots Powers is a genuine original Read him hellip for the pleasures he bestows of ear and eye but read him too for the supreme trustworthiness of his vision a trust earned by impeccable craft and by a balance perfectly struck between a cutting irony and a bele
