By Crichton E M Miller : The Golden Thread of Time: A Voyage of Discovery into the Lost Knowledge of the Ancients the paradise lost by john milton with notes explanatory and critical ed preface 1927 n m penzer after reading sir albert grays excellent introduction to this edition of dampiers new voyage round the The Golden Thread of Time: A Voyage of Discovery into the Lost Knowledge of the Ancients:

1 of 1 review helpful Dear Mr Miller thank You Signed Humanity By Barry Boyd This is the most important archeological discovery in the last thousand years The information contained within these pegs will force even the doctored historian to re examine all that he thought they knew 2 of 3 review helpful Crossing in time By solardiva Hands down the best book I hav In his introdcution the author says I will pass on to you another way of seeing the world of the Ancients and the World of Now He very convincingly shows how the Celtric cross the cross and circle could well be the representation of an ancient surveyor s instrument which combined with a plumb line could be used to find latitude and longitude He believes this instrument was used in ancient times and provides some convincing circumstantial and written evidence
