By Debi Pearl : The Vision (The Publishers) (Last Publishers) listing of educational book publishers with full contact information this is our listings of book publishers taking submissions these publishers are actively taking submissions of manuscripts all information in these The Vision (The Publishers) (Last Publishers):

7 of 7 review helpful exciting and informative By I m a wolf rider I m free I have read some of the Pearl s family books but did not know what to expect from a fiction book I found The Vision to be an excellent novel I do not read a lot of fiction and unfortunately many of the Christian fiction books I have picked up over the years I have found either dull and preachy or poorly written with characters too perfect and sa What do you get when Islamic Terrorists and White Supremacists go up against a small group of Bible Believers in the hills of East Tennessee Debi Pearl s newest book The Vision is a fast paced emotionally charged love story between Asher and the beautiful Cheyenne who along with their friends have a vision to reach the lost and dying world before the fast approaching apocalyptic events make publishing the gospel impossible The Vision is like a carefully desig I have just finished devouring The Vision It was well written with complicated real characters The gospel and all Bible teaching was neatly tucked into the plot No pauses for an obvious sermon as in some Christian fiction I have read Enough action
