peggy said this will always be the first book i was able to read and finish after the 2016 presidential e hola and  
goodbye una familia in stories although lupita is featured only in the first and last stories hola and goodbye los angeles  
review of books Hola and Goodbye: Una Familia in Stories:

1 of 1 review helpful I really enjoyed this book By Jennifer Holo and Goodbye is a collection of short stories that connect a family in time from the first immigrants from Mexico to the USA to a more current generation I really enjoyed this book not only did I like the characters but it gave me insight into the immigration experience and how values and approaches change as the generations become more integrated into Ame In 1920s Southern California Lupita Camacho leaves Mexico and settles not far from the border mdash and so begins the journey of an American family told by a chain of tales stretching across three generations Early stories track Lupita rsquo s concessions to the demands of her new country and her new fish cannery job overseen by a lecherous boss who makes sure Lupita her friend Rosa and their Chinese coworkers work long hard and for the most part in silence sinc Donna Miscolta brings the old streets to burning life I can hear these voices I can smell the cooking The ghosts step out of these alleys as if they d never left Wonderful stuff Luis Urrea author of Into the Beautiful North and Queen of Ameri
