By Eric Wilson : Expiration Date shelf life is the length of time that a commodity may be stored without becoming unfit for use consumption or sale in other words it might refer to whether a question i have some eggs in the refrigerator that id like to use but the date on the carton was a week ago are they still safe to eat answer yes your eggs
Expiration Date:

0 of 0 review helpful Predictable anticlimactic By Stanley The main character spends the entire book whining about his failures I did not care for the ethnic slang injected into the conversations of the sisters it lacked authenticity The main characters interaction with his dad was a little weird and also felt unrealistic Demonic activity was obvious from the start and attempts to cloak it with descriptions of attire Your Days Are Numbered hellip And Clay Ryker Knows It Clay Ryker is a man with a dark past and an uncertain future A failure in both business and marriage he has come home after a decade away hoping for a fresh start in the small Pacific Northwest town where he grew up But Clay harbors a terrible secret one that even those closest to him don't know When increasingly sinister notes appear in the folds of his morning paper Clay realizes that th Endorsements for EXPIRATION DATE By Eric Wilson ldquo With bravado and compelling prose Eric Wilson is set to leave his mark on the world of fiction rdquo ndash Ted Dekker best selling author of Thr3e and Black ldquo Eric Wilso
