By Patricia H. Rushford, Harrison James : Terminal 9 (McAllister Files, Book 3) if youre flying anywhere for the labor day holiday nows the time to book prices are only going to go up theres this thing we tend to do when we hear the awful news that people we know or admire have cancer or other dire diagnoses we transform them into

courageous Terminal 9 (McAllister Files, Book 3):

0 of 0 review helpful Suspenseful reading By B H King After reading the first two books in this series I had to order the remaining two I read them back to back no lay it down time at all I had to get to the next chapter to see what was happening Very realistic as far as the police business goes inside views and you grow to know all the characters well over the series I wish there were more than four 1 of In Book Three Terminal 9 Mac McAllister has a new partner Detective Dana Bennett and a new puzzling murder investigation on his hands and elderly retired railroader hit by a train About the Author Patricia Rushford is an award winning author speaker and teacher with numerous articles and over 40 books to her credit including the acclaimed Angel Delaney Mysteries She is also a registered nurse and holds a master s degree in counseling
