Anathema:

0 of 0 review helpful A must read By flying high This is not a book I would have chosen but I was encouraged to read it by someone else I can honestly say it is now my favorite book of Colleen Coble s It has a lot of Amish traditions with a good story line to go with it a mixture of two completely different worlds coming together I found myself wanting more before the storyline was revealed I did not guess the bad per When Hannah refuses to forgive a terrible sin she becomes anathema shunned But the real question is can she forgive herself Visitors come to Parke County Indiana to enjoy the lush farms to buy the Amish quilts and to experience the peaceful ways of the Amish families who live there But when a double murder rocks this quiet community the Amish residents resolve to forgive even this unfathomable offense Hannah however finds forgiv From Publishers Weekly Although Coble a veteran novelist of inspirational romantic suspense has not tried her hand at Amish themed fiction the Amish setting is the most compelling aspect of this disappointing suspense novel Not only does Coble lace the story
