halloween costumes How to Party With an Infant:

10 of 11 review helpful Disappointing By Customer I was deeply disappointed by this book Sadly I have read and very much enjoyed all of her other novels and was really looking forward to this one I felt that it lacked depth in terms of character development and there was hardly a plot The book felt very disorganized and jumped from one topic to another without connections It took me a few weeks to finish and consideri The new novel from the New York Times bestselling author of The Descendants mdash a hilarious and charming story about a quirky single mom in San Francisco who tiptoes through the minefields of the ldquo Mommy Wars rdquo and manages to find friendship and love When Mele Bart told her boyfriend Bobby she was pregnant with his child he stunned her with an announcement of his own he was engaged to someone else Fast forward two years Mele An entertaining portrait of an economically comfortable place and people Hemmings perfectly captures modern parenthood among the privileged and with moments of concise poignancy the silent shames of motherhood The pleasure of Hemmings s levity and wisdo
