Garden: A Novel:

18 of 19 review helpful A beautiful story about love and forgiveness By Lisa K Heather Burch rsquo s new book In the Light of the Garden is a wonderful story about love and forgiveness The heroine Charity Baxter is my absolute favorite Heather Burch character I could relate to her and how being an only child had made her socially awkward Still she was full of love and so willing to give it to others even to those not In the Light of the Garden is a novel about unearthed family secrets the enchantment of past loves and the indelible power of forgiveness Inheriting her grandparents rsquo island estate on Florida rsquo s Gulf coast is a special kind of homecoming for thirty one year old Charity Baxter Raised by a narcissistic single mother Charity rsquo s only sense of a loving home comes from childhood summers spent with Gramps and Grandma But piercing her ldquo Burch weaves the challenges of family and the hope life can bring into a book that will touch readers rsquo hearts in the most enduring ways rdquo mdash Booklist ldquo Burch rsquo s gentle intergenerational tale will appeal to read
