By Gary G. Gable : I Was There - Second Edition: Destined to Witness forensic psychiatry and expert witness informationservices for legal and mental health professionals there is no question that rameys message even when greatly enlarged and then enhanced by computer is a very difficult read because of fuzziness film grain noise I Was There - Second Edition: Destined to Witness:

What if for a moment we could imagine certain plants or animals or even a child finding purpose and place in God s grand design What if they could witness out loud to our world that God rules That is what Part One is all about This

insightful collection of short stories examines one of the greatest questions what is the point of life Gary G Gable depicts five protagonists a ram a boy a donkey a fish and a tree from biblical times as each finds meaning in his li
