15 of 16 review helpful Grammatical Minefield By ME Church *Well my review would be the same as for the pair s last two books Good story Terrible writing Here for example is the first sentence of the book from the Note From The Authors page Thank you for taking the time to read mine and Erik s first novel Seriously Mine and Erik s Three sentences down you get this jewel Being scatterbrained and crea After accepting the guardianship of a two thousand year old scroll given to John the Disciple Anna Riley is plunged into a world of power and corruption Is her faith strong enough to save herself and humankind Jason Lang thrust into the role of Anna s protector is dodging bullets and a burgeoning love for the woman he s vowed to defend Will his affection for Anna skew his judgment and cost their lives With only a handful of human and angelic allies along the way I haven t read a book front to back in a long time but The Guardian was one that I just couldn t put down I knew Robbie Chevront was a very creative person from writing songs with him over the years B*
