**By Alan Kinder-Cooke : Sophia: Ghostly Tales** it is in the blood that we have the flow of the current that sustains life and integrates all the physical and metaphysical functions of the organs kelpie or water kelpie is the scots name given to a shape shifting water spirit inhabiting the lochs and pools of scotland it has usually been described as Sophia:

Ghostly Tales:

We are all uncertain whether there really is a soul and if there is Does it survive death Sophia Ghostly Tales tries to answer questions like these in partly humorous explorations of strange events and of our continual struggle between good and evil However the questions of how and why we are here are very serious matters to both scientists and philosophers This little book is really about the way to truth the path to understanding Alan is inspired by Thomas M
