1 of 1 review helpful the body of this indeed By Colleen O Neill Conlan I was drawn to this book after hearing the

author read one of his stories Their Bodies Their Selves on an older podcast of the Maine Humanities Council Online I saw the stories called spiritual and illuminating informed by a Catholic sensibility The book s title certainly alludes to the sacred centerpiece of the Catholic mass when the priest Andrew McNabb s ethereal debut story collection The Body of This is a gathering of tough close and spiritual stories illuminating the complex architecture of people and their places With writing as raw as it is powerful McNabb s stories will by turns shock and delight a man gives up a winning lottery ticket to keep his wandering girlfriend a Sudanese refugee discovers the simple beauty of a new way home a mother sees her true self reflected i This is a collection that strives to dissect and distill to remind us that disparate parts and indivudal sensations are the bricks that comprise the buildings of our lives The Portland Phoenix
